

ENDURANCE

poly producers

Endurance Poly Producers, LLC is a manufacturer of high-density polyethylene (HDPE) pipe. We service numerous markets including the telecom, electrical, power utility, as well as many pressure applications.

Located in Tennille, GA Endurance Poly Producers is positioned to take advantage of competitive freight rates allowing us to support our customers in a wider geographical area than many of our competitors.

With a wide range of capabilities, Endurance Poly Producers manufactures custom length, **made-to-order pipe from ¾" – 6"** and wall thicknesses of SDR 7 – SDR 26, as well as Schedule 40 and 80. See our Solid-wall HDPE Pipe Specifications sheet for more details on the exact combinations available.

Available in many solid colors and/or stripes:

Offering low minimum order quantities along with drop shipping, Endurance Poly Producers help you meet your customer's needs:
